

1 October 1948

I have been so touched by all the lovely messages, comments, e mails and phone calls - thank you, everybody.

Not only has your kindness helped me and my family in these first sad days, the tributes to my father, whom some of you knew but many did not, have also helped his friends, students and, above all, Dad's huge extended family in Malawi.

The Foundation and its sister charity will carry on the work he started, and we know that his spirit will be there, guiding us as he did while he was here.

People have asked if they are able to donate to the Foundation to show respect for my father's life and his work.

The UK sister charity has a new fundraiser -

The William Stewart Memorial Fund
